

6 GIORNI ROTELLISTICA 2020

Dear skating friends,

the desire to meet again on our track was such as to make us believe in this 2020 edition until the very end.

However, considering what we all have experienced in recent months, we have chosen to cancel the 2020 edition to protect everyone's health and to start again with a renewed energy and more safety with the 2021 edition. Take care - a presto!
